

revolve CD tray card template

If you cannot lay out using this template, follow the listed dimensions to lay out your artboard and to use for your guidelines.

Lay out your art out to the outer green lines. This includes bleed.

This line is the fold line. Lay out your spine text between this line and the red line.

Do not lay out any text or images that cannot be cut past the red line. This is where the art is trimmed to. Any song titles or pics past this line will be cut.
